

Vegetable Carving Competition

The inter house vegetable carving competition was held recently on 1st August 09. The students of classes 9-12 skillfully carved vegetables into many creative objects.

Each team had to create sceneries from a given theme. The 2 themes to choose from were “a village scene” or “a fair in a village”. All houses participated enthusiastically, making good use of all vegetables kindly provided by the RKHS staff.

The chief chef also put a hand in creating his own work. A vase was carved innovatively out of a pumpkin with pretty flowers made of carrots and radish with a spring onion stem.

The 2 teams from each house; seniors and super-seniors, managed to put together astonishing works.

The prize winners of the competition were:

Seniors:

I prize- Buddha House: R Karishma, Nikita Parmar, Ankita Banik & Kajol Lunia.

II prize- Shankara House: Aastha K, Arshitha, Dimple & Komal.
