

Jain International Residential School

Dear Mr. Ganesh / Mrs.Saroj,

I was very happy with my son's results and I think all the effort must be credited to the JIRS and the teachers of JIRS without them we wouldn't have crossed this race. Thank you very much for all the 5 years my son Amrit Mirpuri has spent at JIRS, each and every staff member and warden should to be thanked personally, as we had given our beloved child in your care and I am glad that we had chosen your school for its highest security and well trained staff we have had no regrets for doing so.

A special thanks to Mrs. Saroj Subbarao for patiently answering all our queries and supporting our son all the time.

A special thank you for all the receptionists for being so enduring and tolerant and handling our calls at odd times and days.

Finally a special thanks to Mr. Ganesh Sharma for always being there and standing by my child.
Thank you JIRS, "YOU REALLY ARE A HOME AWAY FROM HOME".

Regards,

Varsha Mirpuri

Dear Saroj Subbarao

It's very much evident from the way Neeraj handles himself in college and his achievements in the cultural front. As he was the cultural forum secretary during his last year in school and the experience has provided him the foundation required to face challenges when he goes out of the protective shell called JIRS.

I am so content with the way my son is shaping up with his life and all the credits must be vowed to JIRS.

I wish there were more schools like JIRS where the children get a chance to develop their talents to the fullest. And my best wishes are always with the School and the staff.

Thanks to JIRS and JASE Family

Kind regards,

THANKING NOTE for my achievements!

Dear CEO sir,

I , Malvika Behal of class s-10(IGCSE), am whole-heartedly grateful to you and the entire staff of IGCSE which includes all my subject teachers,

FIRSTLY, Mr Murali (ig co-ordinator),

Ms Vijayalaxmi Bhandi (CHEMISTRY) , Mrs Radha murali(ENVIRONMENTAL MANAGEMENT), Mrs Sabita sarma(BIOLOGY) , Mrs Kanchan(PHYSICS) , Mrs Asha chauhan(HINDI) , Mrs Hebsey (ENGLISH), Mr Subramaniam(MATHS) and my art teacher Mrs Padma ,For bringing me up to such great heights and getting me where I am today. I stand hereby with a successful result of 5A*'s and 2A's and 1 B .(THIS WAS A DREAM COME TRUE!) to come first in my entire batch and to receive so much appreciation!

All the immense efforts you all put forward for us is great and will never be forgotten because you all together lead us to the path of success! I have no words to thank you all. I'm really grateful to have such wonderful teachers who worked to the fullest to bring us up so much, and get us to climb the ladder of SUCCESS!

The day I arrived in JIRS, after seeing the fantastic results and every topper's photo on every board of JIRS, I set myself a goal... THAT when I leave jirs I will leave the school with a great reputation and will top and leave, because all throughout I always had a dream of making my parents really proud, because I see god in them, they mean everything to me and whatever I have done is for them.

JIRS, sure did give me a great platform to showcase my talents and today I can proudly say that I have managed to acquire my dreams ! And make my parents proud and feel ON TOP OF THE WORLD!

Infact, my parents were so proud that they had tears in their eyes... It was surely so far the best day of my life! I was thoroughly shocked!

JIRS and the fantabulous faculty gave me a ray of hope inspite of joining the school late, they gave me all the requirements to cope up and all the emotional comfort ! What else could I ask for!?!

I REALLY cannot express my gratitude towards every member of the JIRS FAMILY! For the great support

Jain International Residential School

and all the possible medical help I required during my journey in JIRS! (Thanks to the medical staff). The amazing dorms which never made us feel away from home! Truly, it was "home away from home"! (Thanks to all my dear matrons and I apologize to Indira ma'am and Malini ma'am if I ever caused trouble! (SORRY!)), And want to thank Mrs. Saroj (N.R.I co-ordinator) for all the support! Ma'am you were like a mother!

I worked hard all throughout my life but was hardly recognized and was one among the common! Today I can proudly say I 'm the topper of JAIN INTERNATIONAL RESIDENTIAL SCHOOL (BATCH S-10)! IT feels great, I feel as if I'm on cloud nine! I have no words to express my happiness and contentment!

And once again you can never find such teachers anywhere in the world who sit with you till 12 am right before the board exams! Teachers who messed up their schedules, and they're sleep just for their students, and just to make them successful and one in a million! thank you all once again !

Most importantly I would like to thank my great co-ordinator MR.MURALI for giving me great hopes and encouragement all throughout ,sir you are the best and I mean it!

I whole-heartedly thank you all for my achievement! THANK YOU!

JIRS IS THE BEST!

Jain International Residential School

Dear Saroj Ma'am,

The years spent at JIRS are so memorable and unforgettable. I met so many people from all over the world, an experience I would have never got if I had stayed in California. I was in love with playing soccer on our ground and going to other schools to play. The sports schedule was so well planned, even through the stressful years of high school, JIRS kept me fit through sports. The second year at Jain was my first time at boards and was pretty tensed about it but the teachers helped us breeze through it.

I love to dance and I got so many opportunities during the first two years to perform dance on so many occasions and competitions. We had our Jaelza girls dance group, I miss DORM NIGHTS!!! :)

The food at JIRS is epic. I miss the idly, vada breakfast the most! It was my favorite, and also Sunday morning dosa's and cooking hobby class with Mrs. Rai is memorable.

During my fourth year, it was time for elections and was afraid that I wouldn't be able to manage a post and studies together. But the teachers and students convinced me that I had it in me and I filed my nomination and won. I was the head girl of the school and the journey has taught me a lot. The post of Head Girl really impressed the colleges that I applied to as well, so all in all it was worth it.

I really miss school a lot and all the students, my classmates, the teachers, the matrons, the coaches, and all the staff. We had our very own family and knew all the faces from dining hall, to academic blocks, to dorms, up until sports grounds. I learnt so much from going to a boarding school in India. I learnt to preserve my culture, meet many people and participate in so many activities!

I hope I can come back soon to meet everybody and see our school again!

Thank You for Everything

Dear Saroj Madam,

Let me take this opportunity to thank all the members of JIRS academy and in particular to you, CEO and Ms. Harini for all your support and guidance provided to Abhay as well as to us during these 2 years.

We really appreciate the delicate balance which you have to maintain between JIRS rules and kids' tantrums, which in many cases are endorsed by guardians as well, which we felt is in genuine on guardians part at times, but you would understand that such endorsements are always emotionally motivated.

Thank you so much for playing such a crucial role in my son's life and actually shaping up his future.
Thanks again....
