

## **PRESS RELEASE**

### **SCHOOL CELEBRATES 12<sup>th</sup> ANNUAL DAY A SPECTACULAR EXTRAVAGANZA**

**Jain International Residential School** proudly celebrated the 12<sup>th</sup> Annual Day. Jain International Residential School is India's first residential school to be accredited by NABET. With a sprawling campus of over 300 acres, staff strength of more than 300 and a world-class infrastructure, JIRS caters to the needs of nearly 750 students from India and abroad and is acclaimed as one among very few of its kind in the country.

The 12<sup>th</sup> Annual Day meticulously planned by the students and staff of the school showcased the year's activities to the parents and guests followed by the ceremonial function. The ceremonial function was presided by Dr. R Chenraj Jain – Chairman, The JGI Group and Wg. Cdr. K L Ganesh Sharma – CEO, Jain International Residential School.

The main highlight of the day was the dance programme called **ABHYUDAYA**. The dance featured the system of Gurukula, where the Shishya asks the guru about the different sentiments and emotions human beings go through. The Guru enunciates that the eight sentiments need not be categorized as positives or negatives, but shall be stepping stones to understand human nature. Illustrations culled from the rich literary heritage of India to accentuate the point and the meaning, have been made the vehicle to traverse the path of finding the truth. Folk, classic, martial and theatrical dance forms of India have been employed as the grammar of communication. The show involved most of the students of the school in a spectacular performance enriched with rich music, costume, dance, and mime.

This narrative enacted by the students awakens each individual to take the lead, start a new beginning and build a bright future with life full of fragrance and colours.

Apart from the fun filled presentation, an exhibition of projects prepared by the students of various departments will be put to display. Cambridge Cell, Duke of Edinburgh, Cultural Festivals, Arts& Crafts, Science Displays, Art of living, Social Upliftment, Robotics will be some of the exhibition stalls. Overall a joyous feast will be served to the spectators.

**The academic and endowment awards were given away by the Dr. R Chenraj Jain – Chairman The JGI Group to all the top scorers.**
