

Sports at JIRS

The sports programme at JIRS is run by the Jain Academy of Sporting Excellence (JASE). Since its inception in 2004, JASE has grown into a unique, professionally run sports school within JIRS. Today we can proudly claim to be 'An Unique Platform for Developing Personality & Leadership Skills in Young Children'.

We claim to be:

- The best school for sports education along with academics in the country
- The school with the best state of the art sports infrastructure in the country
- The school with the highest number of qualified coaches (National and International)
- The school with the greatest pool of sporting knowledge and expertise in the country, across 16 different sports disciplines
- A phenomenal 34 trained coaches for 700 children. Additionally, highly qualified visiting Coaches, Physiotherapists & Fitness Trainers who have worked with SENIOR INDIA teams in Cricket, Golf, Tennis and with EPL & I - league teams in Football
- Our coaching pool includes former English Premier League, Ranji Trophy, Davis Cup players and coaches, holding the best possible coaching certifications from their respective Federations
- The school with the most professional, structured training programmes in the country. Our detailed, pre-planned coaching programmes are at par with coaching norms at premier youth academies of professional clubs
- The only school in the country that international sports celebrities across the board, rate as the best that they have seen
- The school where students possibly play the highest number of matches in the country. For example, the cricketers played 43 matches and the footballers played 28, in the last term
- The only school in the country that conducts All India and even Asian Junior Championships in the school
- The only school in the country that has regular visits by International sporting sides and which likewise, sends teams abroad regularly
- For example, the football team toured Real Madrid in 2011 and is playing at the Gothia Cup in Sweden this year. The cricketers went to England last summer and are playing an International U-16 Tournament in Greece this year
- The only school in the country that International sports celebrities across the board, rate as the Best that they have seen
