

GANESH CHATHURTHI CELEBRATIONS

Lord Ganesha a symbol of wisdom and the remover of obstacles epitomizes everything related to wisdom. Ganesh Chaturthi is considered to be one of the biggest celebrations in JIRS. The children dressed up in their beautiful attires singing bhajans with full musical orchestra spreading devotion all over the campus. The chariot bedecked with flowers and lord's idol was taken all round the school with gaiety, dancing, bursting of crackers and Vedic chanting. The highlight was a full troop of thirty traditional Karnataka temple drummers dressed in tribal attire enthralled the entire gathering with fabulous drum beating. It was a day to cherish for the children who were fascinated and danced in total rhythm and "Ganapati Bappa Moriya" echoed everywhere in the school. As the procession was being led for immersion, girls and boys danced their way amid colors and bursting of crackers. The whole campus had a festive look and the children enjoyed with great enthusiasm.
