

Yet another jewel in the crown of JIRS – ‘Top – 3 in India!’

JIRS appears to be hitting a higher notch with every survey of top schools in India. In the survey on top boarding schools in the nation conducted by ‘**Go Getter Magazine**’ for their March-2014 issue, **JIRS** stands among the **top three boarding schools in India** and **no. one in South India**. Go Getter is the inflight magazine of **Go Airlines**, the survey conducted by the magazine has ranked JIRS as the **no. 1** School in the entire state of **Karnataka**.

Yet another feather in the cap is that JIRS is the **exclusive school** in the top three boarding schools in India that is an **International fully boarding coed school** offering three diverse curriculums of **CBSE, CIE and IBDP** and based in **Bangalore**, one of the most sought after cosmopolitan cities of India. We hope that this is the just the beginning of many other exemplary feats that JIRS will accomplish.
