

TEACHERS DAY CELEBRATIONS

The birth anniversary of Dr. S. Radhakrishnan celebrated in the form of Teachers Day was an extremely action packed and eventful day at JIRS. Students visited the houses of the management, faculty, coaches, dorm parents to welcome them for morning coffee amidst music and dance. All staff of JIRS were guided to Sai Temple for aarti and invoke the almighty to shower his blessings. It was a heart touching sight to see all the 12 standard students bowing their heads down in reverence to their gurus. Once the aarti was over a flex printing of the staff of JIRS was placed in front of the temple which surprised all.

An opulent breakfast awaited the staff at the dining hall followed by interesting games for the staff. Students served southern Indian cuisine in plantain leaves giving one and all the feeling of togetherness. As the soft dying day was emerging in darkness the hockey ground was illuminated with crackers welcoming all the students who escorted the staff to Sprintoor, showcasing their unconditional love. A cultural burlesque awaited the staff and once it began, all were seen tapping their feet and clapping in unison. The cake cutting was a splendid affair followed by an excellent cuisine in candle light. The eventful day came to an end with the staff unitedly thanking the children for the excellent and reminiscence filled day. A very personified and memorable evening of the highest standard was visualized in JIRS.
