

A Letter from Alumni

I became a part of this family when I joined in 6th std. Very Reluctant to come to a boarding school, when I saw the campus, I was amazed and decided that this will be my destination. This made me join the school, but what made me continue here is the amazing support this family has given me. When I go down the memory lane, I am amazed that I have spent 7 long years here but it seems like yesterday. The time flew so fast! because the time I spent here was so wonderful and special to me..... What makes this institute better than the others is the staff and management of the school.... Indeed they make us feel that this place is a “SAFE HEAVEN” & that it is a “HOME AWAY FROM HOME”. I came here as shy, introvert boy and am leaving as a confident and molded to the Head boy.....

I really loved to be here....But now have to leave with a heavy heart.....Thanks to each and every member of this family who have helped me in some or the other way...I really Cherish each and every moment spent here and I am proud to say that coming to JIRS was the BEST DECISION I have ever made in my life.....
