

**TOP BOARDING SCHOOLS**

A boarding school offers boarding facilities for students enrolled in the school. The students live on the school's premises in a dedicated section for the duration of the school year. There are many traditional boarding schools that have withstood the test of time. Many of India's leading boarding schools form a part of an elite league of schools across the country. They also have an extensive and high profile network of alumni across the world. We list here India's top boarding schools.
