Thousands of events occur to mark the economic, political and social achievements of women. At JIRS, the football department took the lead to celebrate the FIFA International Women's day by organizing 'The Battle Of Super Heroines' to mark the event. The aim was to promote health and fitness awareness in women around including the students through active participation in sport. The Celebration lasted for three days, with a series of events.

CEO JIRS and PRO JIRS actively promoted the event in a big way by being present to encourage the women participants. Dr. Anuradha Namashivaya was the Guest of Honour, a dentist by profession and a sport enthusiast by heart, she was an ideal example of an empowered woman to the students of the day.
