# JAIN INTERNATIONAL RESIDENTIAL SCHOOL THE FOUNDATION SCHOOL OF LEADERSHIP, ENTREPRENEURSHIP AND VALUES

With 800 students and 200+ staff, JIRS is ranked among the top two international co-ed residential schools in India in separate surveys conducted independently by two leading education magazines in their annual school rankings survey in 2017 & 2018. The exclusively residential 300 acres campus has over 30 sports fields and courts and separate academic blocks, heads and faculty for multiple curriculums like CBSE, CIE and IBDP.

JIRS is among one of the rare schools which has a unique full day schedule with regular classes both in mornings and evenings, unlike most boarding or day cum boarding schools which have just prep or study hour classes in the evenings. The institution has a 14-15 hours platform schedule everyday for academics, special individual help, sports, cocurricular and extracurricular activities, leadership, spiritual, cultural, community and social up- liftment activities.

The one of its kind life skills programme at JIRS represents a business school model at high school level which integrates public speaking skills, entrepreneurship skills, value education, group discussion, motivational talks by staff with corporate background, leadership qualities from defense background, legal knowledge from Jain university faculty of Law, startup ideas from JGI venture entrepreneurs and BBA level of activities on product launches.

The administrative and sports heads of JIRS are top professionals from the defense services with experience in administration of educational institutions and sports control boards. The specialized sports academy JASE, headed by a whole-time sports professional, leads a team of 35 sports qualified and experienced coaches, each a state or national level achiever in his/ her game with a/b/c level certificates from premier national level coaching insitutions in the coutry. The sports department at JIRS ensures high level training with professional fitness experts, video analysts, visiting foreign coaches, international sports tournaments and exchange programmes.

JIRS provides on campus coaching for IIT-JEE, CET, NEET, SAT, CLAT, career counseling cell, psychometric tests for students evaluation , foreign university placements in best universities across the globe and foreign language coaching in French and Spanish, international exchange programmes and educational exposure.
