Preparing students for life

Jain International Residential School unflagging commitment to each student's intellectual, moral and physical growth creates a school which is larger than the sum of its parts

Ranked no. 2 among international co-ed boarding schools in India by Education Today Survey 2015, Jain International Residential School is rated among the TOP TEN international residential schools for the last 3 consecutive years and is the foundation school for future leaders and entrepreneurs. It is ranked no. 1 Karnataka and no. 1 in Bangalore in the co-ed boarding schools category by Education world (from a survey of best school 2015). It is also accredited meeting international standards ISO 9001:2008 by United Kingdom Accreditation Services (UKAS).
A truly international standard high end

unique school on 350 acres sprawling green campus, it is a part of the Jain group of educational empire - 85 institutions - 4500 faculty, 50,000 students from 35 countries and boasting students from all Indian states & over 150 foreign & NRI students.

The school in its 15 years of operations is completely residential for 850 plus students & almost 200 faculty, in a safe, serene, pollution free, peaceful & divine atmosphere. It's a co-ed school from grade 4 to grade 12, offering CBSE, ICSE, Advanced levels GCE of Cambridge University, UK and International Baccalaureate Diploma Programme (IBDP). JIRS facilitates on-campus coaching for

competitive exams of engineering, medicine, AIPMT, IIT JEE, CLAT, IELTS, TOEFL, SAT etc. by reputed coaching centre experts.

The school provides many career counseling sessions by top foreign universities across the world for helping children get placements in over 100 reputed foreign universities from across the globe, with excellent scholarships.

JIRS has a one of its kind specialized sports academy (JASE) of over 40 highly experienced coaches for professional coaching in over 15 sports, including golf, equestrian, squash, ten pin bowling, apart from all the regular games, mainly cricket, football, tennis

etc.
JIRS provides students an opportunity to attend various platforms of leadership like the DUKE of Edinburg Leadership Programme, Gave's Toastmasters Club, Theatre, Model United Nations, HMC, student exchange programmes, International education tours, trekking & adventure camps etc.

The B school level kind of life skills and soft skills activities every week and student planned, organized & implemented events make children team workers, planners, organizers, public speakers & team managers, which will make it easy for them to lead in their top management positions professionally or in their own ventures in future for lifetime.

The aim of the school is to mould them into global leaders & entrepreneurs of tomorrow by bringing up the children with a global education module infused with strong roots of eastern culture & values, with an International academic exposure, focusing on an all-round holistically developed personality, in a warm homely gurukul environment.
